NARRATIVE: As a summer associate, you will receive individual attention and a high quality work experience. You will work along side lawyers and with clients and will learn first-hand why our attorneys are known for their realistic, strategic, and thoughtful approach to client issues and giving summer associates clear, practical guidance. By the end of your stay, you will have a full understanding of the type of work you would handle as a junior associate. You will also experience our work environment and will find it is open, diverse, friendly, and collegial. We believe that people who enjoy coming to work are people our clients enjoy working with. We seek law students who like working with people who have a "let's get it done together" attitude and who want to be at a firm where individuality and diversity are valued.
